

Antislavery Office, Boston,  
Sept. 28<sup>th</sup> 1849.

Dear Miss Weston,

I can hardly suppose it likely that you could come to Boston at present; and yet I must inform you that a Board meeting is to be held at 21 Cornhill <sup>on</sup> Monday Oct. 1. at 11 o'clock. A.M. If you cannot come, perhaps you can send a substitute.

Will the Weymouth Tea Party be postponed? I ask, as I see no notice of the same in Liberator. Your sister Deborah told me the Tea Party would be on the 4<sup>th</sup> October. — I understand that Theo. Parker is to be absent next week - in Syracuse, next Sunday (Sept. 30.)

The total receipts of the Worcester Fair about ~~\$400~~ \$445;  
Expenses probably a little rising of \$100. —

Very truly Yours
